

Travel Safe!

The Tulane University Alumni Association is pleased to offer Travel Insurance through the Alumni Insurance Program. Don't let an exciting time turn into a bad deal if your trip is unexpectedly delayed or cancelled, your luggage lost, or if you require medical care overseas. Instead, protect yourself with Travel Insurance through the Alumni Association.

Whether you're traveling on your own for spring break, a summer vacation, or as part of an alumni trip, coverage is available for individuals, families, and groups, and you can even get special coverage for extreme sports and emergency evacuation.
